

# **360X** The Future of *Trading*

Imagine a regulated marketplace where wholesale and institutional investors can trade real-world asset-backed and other financial instruments, all powered by the most trusted entity.

360X AG is here to **revolutionize** the financial landscape.

We're not just another exchange; we're the first mover creating a secondary market for DLT instruments and bridging the gap between traditional and digital finance.

## **The Problem**

Currently, there's no way to easily trade these innovative assets. Investors are stuck with "buy-and-hold" options, limiting liquidity and opportunity.

## **Our Solution**

360X provides a secure, Deutsche Börse and Commerzbank-backed platform for trading both DLT and non-DLT instruments.

**"Powering an accessible, liquid & regulated market for securities."**

### **We offer**

- OTC and continuous matching for flexible trading
- Primary placement services for issuers
- Data services and analytics to empower informed decisions

### **Why Us? We're unique**

- First-mover advantage in a rapidly growing market.
- Strong network and partnerships with key industry players.
- Experienced management team with a proven track record.

### **The Future is Bright**

- The demand for digital asset trading is surging.
- Regulatory tailwinds are pushing for innovation in DLT.
- We're perfectly positioned to capitalize on these trends.
